i Light Singapore 2020 has been cancelled

Singapore, 27 March 2020 – *i Light Singapore 2020*, the annual light art festival, has been cancelled.

Originally scheduled to be held from 6 to 29 March 2020, *i Light Singapore 2020* was postponed to a later date in line with the advisory in February to cancel or defer non-essential large-scale events due to the COVID-19 situation.

Since then, the Government has implemented stricter measures and restrictions to reduce the risk of imported cases and local transmission of COVID-19. Given the continued uncertainty of the situation, and the importance of ensuring the safety and well-being of the public and participants, the Urban Redevelopment Authority (URA) has decided to cancel this year's edition.

The artists whose artworks have been selected for *i Light Singapore 2020* will be invited to present their works at the next edition.
